Announcement of change in DC-1C and DC-2C

Thank you very much for your continued patronage.

We have decided that design of case for DC-1C and DC-2C Dry Gas Meter will be changed.

Performance and function also price will be not changed. However, in case of repair, it cannot be replaced parts due to difference of shape.

We will start manufacturing new design of DC-1C and DC-2C meter from May 2017.

Best Regards

Shinagawa Corporation

【Front】

【Rear】

【Point of change】

- ① lowered the rear.
- ② Reinforced the joint of case.
- ③ Placed the rib.
